

Building A Duct Tape Bridge

Duct tape can fix anything, right? It's used by maintenance professionals, in one form or another, on countless jobs. But can it be used to build something, too? Jamie and Adam of *Mythbusters* fame once again do the impossible—they build a 100-foot bridge entirely out of the sticky stuff. Does it work? Do one of the Mythbusters fall to a sticky death? Watch the video to find out.

If you're having trouble watching this video, try downloading the latest version of [Flash Player](#) [1] or contacting your IT department.
