The Taser Is So 20th Century

We've all heard about the Taser, so much so that it's starting to get a bad reputation. Enter the "Dazer Laser." According to the manufacturer, it can be used to disorient suspects without resorting to harsher techniques like the aforementioned Taser. Based on the video below, it would certainly seem to be effective at being incredibly annoying, at least.

If you're having trouble watching this video, try downloading the latest version of [Flash Player](#) [1] or contacting your IT department.
