

IMTS: A Leader In Manufacturing Technology

The Emerging Technology Center at the 2010 IMTS has some big shoes to fill: none other than the Apollo 11 moon landing. Check out this teaser video to see what new technologies IMTS is bringing to the table, which include nanotechnology and more.

If you're having trouble watching this video, try downloading the latest version of [Flash Player](#) [1] or contacting your IT department.

Have any comments or questions about our Thursday video editions of IMPO Insider? Or do you have a video you'd like to see featured in one of our deployments? Email me at Joel.Hans@advantagemedia.com [2].
