

Intelligrated Recognized As A Top Cincinnati Workplace For 2013

Intelligrated

(Cincinnati: June 20, 2013)—Intelligrated® (www.intelligrated.com [1]), a leading North American-based automated material handling solutions provider, has been recognized as a top workplace in the greater Cincinnati and Northern Kentucky area by the Cincinnati Enquirer for 2013. Intelligrated placed sixth in the large company category.

Assisted by research firm Workplace Dynamics, the Enquirer assembled survey responses from more than 27,000 employees from 128 businesses in the greater Cincinnati and Northern Kentucky area. The responses were used to evaluate companies based on their leadership, communication, career opportunities, work environment, managerial skills, pay and benefits. Through their analysis, Workplace Dynamics and the Enquirer found that top ranked workplaces are not only better places to work, but are more likely to be successful than peer organizations.

The results were published in the June 16 edition of the Sunday Enquirer. Intelligrated is the youngest company recognized in its category, and 2013 marks the company's debut appearance on the top workplaces list.

"At Intelligrated we have a culture of integrity, teamwork and respect that is essential to our success," said Chris Cole, CEO, Intelligrated. "Recognition from the Enquirer is a great honor and testament to everyone involved with our company."

Selection as a top workplace is the latest accolade for Intelligrated in 2013. Earlier this year, Intelligrated was named a finalist in the Cincinnati Business Courier's [Fast 55 ranking](#) [2] of the fastest-growing private companies in greater Cincinnati and recognized by Cincy Magazine as a [Tri-State Success Award](#) [3] winner for employee and revenue growth. Intelligrated also won a [MANNY Award](#) [4] for top growth and was recognized by Modern Materials Handling as a [top 10 materials handling system supplier](#) [5] worldwide.
