In 2012, Colorado businesses benefited from over \$157,000 in rebates from Xcel Energy thanks to Kaeser Compressors, Inc.

Kaeser has been named an Energy Efficiency Partner of Xcel Energy. This exclusive award is based on number of annual projects, kW/h savings, and rebates paid to mutual customers. By conducting numerous Air Demand Analysis (ADA) system audits in 2012, Kaeser helped customers save 1.1 million kWh.

"Kaeser is known for taking energy efficiency seriously. We are honored to be recognized by Xcel Energy for our efforts," said Renny Kroge, Manager of Kaeser's Denver Branch. "We are committed to continue helping Colorado businesses optimize their compressed air systems."

For more information on Kaeser's Energy Efficiency Partner award, visit www.kaesernews.com/Xcel [1]. To learn more about Kaeser's Air Systems Audit program, visit www.kaeser.com/ADA [2] or call 877-417-3527.

About Kaeser

Kaeser is a leader in reliable, energy efficient compressed air equipment and system design. We offer a complete line of superior quality industrial air compressors as well as dryers, filters, SmartPipe™, master controls and other system accessories. Kaeser also offers blowers, vacuum pumps, and portable diesel screw compressors. Our national service network provides installation, rentals, maintenance, repair, and system audits. Kaeser is an ENERGY STAR Partner.
