StressPly® SA Self-Adhered Membrane

The Garland Company, Inc.

The StressPly® SA FR Mineral self-adhered membrane from the **The Garland Company, Inc.** (Cleveland, OH) eliminates the need for torch, cold adhesives or asphalt, making it ideal for use anywhere that odors would be a problem. StressPly SA FR Mineral is an SBS, dual fiberglass and polyester reinforced membrane incorporating a fire retardant compound and a mineral surface. This video depicts proper application procedures.
