

## Magnetic Tape Measures

Milwaukee

**Milwaukee®** (Milwaukee, WI) Magnetic Tape Measures are Nothing But Heavy Duty®. Using nylon blade protection and a 5-point reinforced frame, they offer up to 10 times longer blade life, by resisting contamination wear and increasing protection when dropped, says the company. To increase productivity on the jobsite, Milwaukee® Magnetic Tapes feature new dual magnets, which securely attaches to EMT sticks from below and steel studs in front. An additional innovative feature is the finger stop, which protects fingers when the blade retracts.
