

Stretch Wrapper With Integrated Scale

ARPAC

Schiller Park, IL -- The new ARPAC PRO-SERIES LP Wrap-N-Weigh enjoys the reputation of being one of the most cost-effective semi-automatic machines on the market today. A new ergonomic sturdy design, with chains enclosed in the tower frame, ensures safer operation. Standard features include: illuminated adjustable (0-7) LED top & bottom wrap counters, top overwrap control, anti-static film rollers, cycle pause, variable speed controls for both turntable and carriage, upgraded photo eye to see most dark loads, plus EZ-LOAD Powered Pre-Stretch, maximizing stretch film usage.
