

## Unbeatable Breakers

Altech (Flemington, NJ) introduces a new version of its UL508 manual motor controllers, featuring a reinforced housing for improved durability. The product also offers both box and ring tongue terminals as standard in addition to a clear cover for easy tagging. The breakers are offered in 6 trip curves in ampere ratings from 0.3 to 60A with voltage ratings of 480Y/277Vac and 24 to 80 VDC, depending on breaker configuration. The UL508 is compact, at 17.5mm per pole, and are designed for easy DIN rail mounting. All circuit breakers are CE-certified and RoHS-compliant.

See more of the UL508 and Altech's other breakers here: [www.altechcorp.com](http://www.altechcorp.com) [1].
