

Compressed Air Catalog

Exair (Cincinnati, OH) has released its Catalog 23, a full-color technical guide, offering solutions to common industrial cooling, drying, conveying, blowoff, cleaning, and static electricity problems. The 160-page catalog features products that help companies conserve compressed air and reduce noise levels from operating machinery. A detailed technical explanation, performance data, application photos, and dimensional drawings are provided for each product.

To see the catalog, visit www.exair.com [1].
