

## Heavy-Duty Multitasking Mezzanines

**Delta Industrial** (Chesterfield, MI) has a range of mezzanine systems designed for both large and small facilities, making them ideal for in-plant offices, storage, industrial platforms, catwalks, and conveyor integration. Features of Delta's mezzanine systems include:

- Customer-designed specifications.
- A modular construction with heavy-duty columns and baseplates, built from abrasion-resistant powder-coated steel or aluminum panels.
- A metal railing with 4" kick-plate.
- Heavy-duty prefabricated metal stairs and accessories.
