

No Bumper Cars With Forklifts

The Knuffi Soft-Edged Bumper Guards from **Independent Warehouse Inc.** (IWI; Sparks, NV) were designed to address safety issues in the workplace, and feature a highly visible black and yellow striped covering to warn of danger or restricted access. Knuffi guards can function as protection for covering indoor and outdoor wall edges, doorways, and stair edges. The use of the bumper guards can reduce the number of head and knee injuries. Other features include:

- A construction from tough, recyclable polyurethane foam that is guaranteed for a long life under stressful operating conditions.
- Protection for lift trucks or other mobile equipment against sharp door or wall edges, preventing costly equipment damage.
- Easy installation with a maintenance-free adhesive application.
