

Clean Up With Soy

Soy Technologies (Nicholasville, KY) introduces the SoyGreen MultiPack, a specially-packed case of cleaning products designed for cleaning the varied surfaces of industrial facilities. The soy-based products are environmentally-safe, VOC-compliant, and contain no alcohol or other petrochemicals. Individual products in the MultiPack include:

- A 70-towel canister of Graffiti Wipes, which are ideal for cleaning scuff marks from lockers, painted surfaces, and more.
- A 22-ounce container of Wood Polish and Multi Surface Cleaner, good for cleaning and polishing hard surfaces.
- SoyGreen's White Board Cleaner, which restores white boards while removing most permanent marker.
