

Working Up High Is E-Z

E-Z Drill (Stillwater, OK) now offers the E-Z Tray, a work tray designed for use on scissor lifts, boom lifts, aerial work platforms, and any equipment with railings. The E-Z Tray provides an ergonomically-friendly solution for the safe handling of tools while working at heights. The $\frac{3}{4}$ " lip securely keeps tools, fasteners, and other items in place on the 24" by 30" workspace. The unit can also fold down quickly to allow equipment to move through doorways and other tight spaces. An all-steel construction and powder coat finish makes in durable, with a weight capacity of 50 pounds.

Check out www.ezdrill.com [1] for more details on the E-Z Tray.
