

## Tubular Products Made-To-Order

**Penn Stainless Products** (Quakertown, PA) now offers nonstandard welded tubular items in stainless, duplex, nickel, 6-moly, and chrome moly materials. They can also be ordered in light gauge and heavy wall thicknesses. Made-to-order OD sizes range from 1/8" through 96" diameter, while stock sizes range from 1/8" to 24" diameter. The pipes are also available in lengths up to 42', with square and rectangular sections possible upon request. Customers can request specialty testing, such as UT, X-ray, and hydro testing, to be sure the finished product works in their application.
