

Easier-To-Read Pressure Gauges

The PG10 Digital Pressure Gauge from **Automation Products Group, Inc.** (APG — Logan, UT) is an IP65-rated indoor/outdoor gauge that features a 5.5" display casing, a five-digit display, and a 270° digital "dial" that shows a user-selectable pressure range from 0 to 100 percent. Standard features include tar, peak hold, and max-min readings, as well as user-selectable units of measure. The gauge has an operating temperature range of 0° to 160°F, or 0 to 10,000 psi.
