

## A Range Of Filtration Products

The NITRA line from **Automation Direct** (Cumming, GA) now includes several new products, such as the AF Series particulate and moisture separation air filters, pneumatic air pressure regulators, and particulate/moisture separation air filters. The AF air filters are available with 1/8 to 1" NPT female port sizes and either a semi-automatic or automatic drain. The AFR Series combines particulate/moisture separation air filters and adjustable pressure regulators in a single unit, with a pressure adjustment knob, plus adjustable pressure ranges of 20 to 115 psi. A number of other products are available as well.

Check out [www.automationdirect.com](http://www.automationdirect.com) [1] to see the rest of the NITRA line.
