

## Take Your Computer Anywhere

The RC Series Mobile Powered Workstation from **Newcastle Systems** (Woburn, MA) has on-board power to run a laptop, a printer, and a scanner or other device for at least eight hours of normal use, according to the company. Its small footprint (18.5" x 22") makes it ideal for narrow aisles and small spaces. Additional features include:

- A push handle, 5" rubber casters, and no trailing cord, making it easy to move.
- A rechargeable battery that offers integrated, seamless power.
- A construction of 11-gauge steel and fully-reinforced surfaces.
