

Smaller Means Better

Akro-Mils (Akron, OH) has introduced a smaller-sized bin and new rack design for its Easy Flow Gravity Hopper system. The smaller and lighter 31620BLUE hopper has a six-gallon holding capacity. According to the company, the other features of the system includes:

- A large, angled top opening that allows for easy filling.
- A First-In-First-Out (FIFO) sliding divider shelf, which allows for proper lot rotation.
- A hopper weight capacity of 50 pounds.
