

# Fluke Introduces New Portable Oscilloscope

**Fluke** (Everett, WA) introduces the ScopeMeter 190 Series II 2-channel handheld portable oscilloscope. The new model combines the capabilities of a 2-channel oscilloscope with a 5,000 count digital multimeter. Safety rated for CAT III 1000 V/CAT IV 600 V environments, the new meter also has an IP51 dust- and dripwater proof rating. Models are available in 200 MHz, 100MHz, or 60 MHz bandwidth and offer speeds up to 2.5 GS/sec on two channels simultaneously. The oscilloscope weighs 4.8 lb and has up to seven hours of battery operation. It also has a USB host port and 10,000 points per trace waveform capture memory availability.
