

## New IAWP-7.3 Platform

The new IAWP-7.3 from **Absolute E-Z**

**Up** (Charleston, SC) is the smallest in its line of self-propelled industrial aerial work platforms. Measuring at 43”L x 30”W x 59”H, the IAWP-7.3 has a maximum capacity of 397 lbs. Combined with a zero inside and 39 in. outside turning radius and at 965 lbs., the machine can maneuver throughout job sites with restricted floor load capacities. It has an elevated platform height of 7 ft. 3 in. and can be driven at its full working height of 14 ft. The IAWP-7.3 features a reinforced, all-steel, powder-coated chassis and platform to withstand the harshest work environments.
