

Knauf Pipe Insulation Line Now Formaldehyde-Free

Knauf Insulation (Shelbyville, IN) has announced that the Pipe and Equipment Insulation line are now verified as formaldehyde-free through the GREENGUARD Environmental Institute. The verified products include Earthwool 1000° Pipe Insulation, Insulation Board, Friendly Feel Duct Wrap, and Elevated Temperature products. Knauf's full suite of pipe and equipment insulation provides commercial and industrial facilities with solutions delivering energy efficiency and operational cost-savings. The Pipe and Equipment Insulation products that have received verification feature ECOSE technology, a bio-based binder made from renewable materials.
