## W18LTX Cordless Angle Grinder

**Metabo Corporation** (Westchester, PA) has introduced its first professional-grade cordless angle grinder, complete with a rotating battery pack, making it ideal for grinding and cutting applications in hard to reach areas. The W18LTX cordless angle grinder is part of the PowerMasterSeries of 18 volt lithium-ion cordless power tools. The 4½ inch grinder's slim motor housing and ergonomic side handle make it comfortable to use throughout the day and is ideal for users needing a reliable tool for tough, portable grinding and cutting. It features a debris-resistant 4-pole motor with replaceable carbon brushes, and removable dust filter.
