

High Performance Converter

The TEN 15WI series from **Power Sources Unlimited** (Wrentham, MA) is a family of high performance 15 Watt DC/DC converter modules featuring ultra wide 4:1 input voltage ranges in a 1 inch x 2 inch x 0.4 inch package with industry standard footprint. This series has Input voltages up to 75 VDC and EN 55022, Class A and FCC, Level A approval. Standard features include Remote On/Off, over voltage protection, and under voltage lockout. Units are designed to include short circuit protection in a six sided shielded case with I/O Isolation of 1500VDC. Low input current characteristics at minimal load make these converters ideal for battery operated systems.
