

Non-Chlorinated Parts Cleaner

Sprayon Products (Cleveland, OH) has introduced the new SP 707 Non-Chlorinated Brake and Metal Parts Cleaner to its expanded line of industrial specialty chemicals. The new parts cleaner with ACCU-FORCE Trigger combines an efficient cleaning solvent system with a high output spray system, ensuring the job gets done fast. Features of the new cleaner include:

- VOC complaint nationally
- Improves productivity with high output spray delivery
- Safe on all brake systems
- Effectively removes brake fluid, oils, and grease
- Available in a 16.5 ounce aerosol
