

## Pro Stainless Tools

**Hyde Tools** (Southbridge, MA) has announced the addition of four new tools to their premium quality Pro Stainless series. This premiere line of putty knives, scrapers, and joint knives is designed with rust-resistant blades. The new additions include:

- 1- $\frac{1}{4}$  inch chisel scraper with chisel-ground bevel edge for getting under paint or coatings more easily in tight spaces. (Item 06258).
- 4 inch stiff scraper, a size that's particularly helpful for wallpaper removal and general scraping. Double hollow-ground for the perfect flex point plus durable Hammer Head end. (Item 06579).
- 8 inch Flexible Joint Knife for use in taping drywall. (Item 06881).
- 10 inch flexible joint knife for use in taping drywall. (Item 06882).
