In-Stock igus Product

igus® (East Providence, RI) has announced its continued commitment to offering standard, off-the-shelf products with no minimum order. The company retains 95 percent of its product in stock, including Energy Chain® cables carriers, Chainflex® continuous-flex cables, iglide® plastic bushings, iglide PRT slewing rings, igubal® spherical bearings, and DryLin® linear bearings, guides, and slide tables. igus offers 70,000 Energy Chain products and 7,000 imperial and metric plastic bushing sizes from stock, in more than 30 different material blends. All of the company's products are based on 47 years of experience and extensive polymer research and product testing.
