

Abrasive Products Catalog

MSC Industrial Direct Co., Inc.

MSC Industrial Direct Co., Inc. (Melville, NY) has released its annual Norton/Merit Abrasive Products Catalog. With more selection than ever before, the 2012 edition provides manufacturers with increased access to the world's largest manufacturer of performance-engineered bonded abrasives at up to 20 percent off. Inside the 72-page, full-color catalog, manufacturers will discover more than 1,900 Norton/Merit products with corresponding MSC item numbers spread over several categories, including depressed center wheels, cut-off wheels, portable snagging cup wheels, non-woven products and flexible diamond products. This year's catalog also features diamond-dressing tools and an expanded selection of surface grinding wheels. The 2012 catalog provides product recommendation guides and is available in both print and electronic versions.

The electronic version is available at www.mscdirect.com [1].
