

# Shelf Bin Systems

Quantum Storage Systems

**Quantum Storage Systems** (North Miami Beach, FL) has announced its Shelf Bin Systems, an economical small parts storage solution to keep parts easily accessible. Easy to order, the system comes as a complete package with bins. Choose from a selection of bin and shelving sizes and bin colors of blue, yellow, red, green, ivory, or black. Open hopper front bins with label area provide fast access to stored items. The bins feature a unique rear "V" lock that enables bins to be hung from the shelf above when in use. This all-in-one unit will not rust or corrode. Heavy duty, high grade shelving offers a 400-pound capacity per shelf. 36-inch wide shelving has a smooth powder coat finish.
