

DuraLabel Warranty

Graphic Products

Graphic Products (Beaverton, OR) has instituted a new, free 3-year warranty that applies to its family of DuraLabel thermal transfer printers. The warranty covers the entire printer including the print head and applies to all new printers sold after April 1, 2012. The company also offers a warranty on its supplies which states: If labels made with DuraLabel Premium Vinyl fail within five years of purchase, we will provide a one-time replacement roll of the same supply. The warranty applies to DuraLabel Premium Vinyl Tapes and DuraLabel XPressPeel Vinyl Tapes. These tapes are DuraLabel's most popular vinyl labeling material and are used for applications such as [pipe marking](#) [1], safety signage, arc flash, [5S labeling](#) [2], and OSHA required labeling.
