

IRONCAT Welding Apparel

West Chester Holdings

The IRONCAT® line of welding gloves and apparel from **West Chester Holdings** (Monroe, OH) is designed for the unique heat shielding, dexterity, and protection demands of Stick, MIG, and TIG welding applications. IRONCAT® welding apparel is available in leather or IRONTEX® flame resistant cotton. Designed to meet the protection demands of the roughest welding environments, IRONCAT® products are ideal for all welding applications including maintenance repair, steel construction, industrial fabrication, as well as aerospace, piping, tool, and die repair applications. Product is available through a nationwide network of safety distributors, welding supply houses, and other specialty retailers.

Detailed specifications on each item can be viewed at www.west-chester.net [1].
