

# Portable Gantry Lift

Sumner Manufacturing

**Sumner Manufacturing** (Houston, TX) has introduced the new lightweight and portable GH2T Gantry Lift. The GH2T Gantry lift has a lift capacity of up to 2 metric tons (4,400 pounds) and is available in 4 Imperial sizes (8, 10, 12, and 15 feet) and 3 Metric sizes (3, 4, and 5 meters). The lift consists of 3 main components: two A-frames and a cross beam. A-frames lock in folded position using plunger pins and feature a removable quick action locking pin. Adjustable lifting handle allow height adjustments to be made in 6-inch increments. Each A-frame has two 8-inch lockable casters and weighs 113 pounds with casters.
