Battery Acid Spill Kit

New Pig Corporation

New Pig Corporation (Tipton, PA) has introduced the PIG® Battery Acid Spill Kit in See-Thru Bin for neutralizing and cleaning up battery acid spills quickly. Ideal for maintenance and storage areas, the PIG® Battery Acid Spill Kit contains PIG® Socks, loose absorbents, and wipers formulated specifically for neutralizing and cleaning up battery acid. The Kit also includes personal protection equipment, including a full face shield. The Kit's see-through container allows for quick inventory inspections and features built-in handles for grab-and-go spill response, and can also be mounted to a wall.
