

# Industrial Floor Striping

InSite Solutions

**InSite Solutions** (Wake Forest, NC) has expanded their business to offer warehouse floor striping services for industrial facilities. Known as the manufacturer of Superior Mark vinyl floor tape, InSite Solutions now offers installation services for any of their floor marking products, including floor marking tape, safety floor signs, and floor striping paint. Their products are used to mark the aisles and passageways for pedestrian walkways inside industrial facilities, to create a safer working environment. Superior Mark floor tape was designed specifically for industrial environments, and features beveled edges to maximize durability when subjected to forklift traffic.
