White Heat Safety Glasses

Galeton

Galeton (Mansfield, MA) has introduced White Heat Safety Glasses with Blue Mirror Lenses. These fashionable safety glasses provide both UV and impact protection, says the company. White Heat Safety Glasses are lightweight and feature rubber padded nose and temple pieces for a comfortable, all-day fit. Ideal for both work and play, the new White Heat Safety Glasses with Blue Mirror Lens are independently, third-party tested and meet ANSI Z87+ 2010.
