

LED Pedestal Work Light

Magnalight.com

The BML-150 LED pedestal/magnetic mount work area light from **Magnalight.com** (Kemp, TX) produces a 14,790 lumen light output and is designed for portability and versatile operating options. This unit features an IP68 rated waterproof LED assembly, aluminum pedestal mount platform, and four 200-pound grip magnetic feet that provide a total of 800 pounds of gripping force. Its aluminum frame is designed for rugged use and portable versatility with heavy gauge aluminum construction, and adjustable carry handle, adjustable LED light head, and four magnetic mounting feet. This light can be operated as a simple work area pedestal light, or mounted to tank walls or on equipment to provide illumination in areas where mounting options are limited.
