

Patriotic Safety Air Gun

Guardair Corporation

Guardair Corporation (Chicopee, MA) has announced that it has expanded the Long John® safety air gun product line by now offering the air guns with a patriotic design option. The new air guns have the same features and functionality as the traditional Long John series with the exception of a new look. The Long John safety air guns are the perfect tool for cleaning inaccessible and hard-to-reach areas, says the company. Features include:

- Venturi tip increases thrust and limits static pressure to less than 30 PSI when tip is blocked
- Ergonomic pistol grip-style handle
- Durable air craft cast aluminum body with hanging hook
- Available in three 12-inch extension Classic+ models
- 1/4-inch FNPT inlet
- Meets OSHA Standards
