Paxton Products

Paxton Products (Cincinnati, OH), a division Illinois Tool Works, has announced it will expand the warranty on its XT- and AT-Series Centrifugal Blowers to cover all parts and labor for a period of 3 years from shipment, pursuant to the warranty policy. The new warranty, effective July 9, 2012, includes all blowers sold either by one of Paxton's local distributors or purchased directly from the Cincinnati-based air products company. The AT- and XT-Series Blowers represent one more in a long line of innovative air products developed by Paxton over the course of more than 50 years, says the company.
