## New Grainger App

Grainger

**Grainger** (Lake Forest, IL) has introduced its new, free mobile app for iPhone and Android smart phones. The new app provides a convenient and personalized experience with easy access to information on Grainger products, says the company. Through the new mobile app, Grainger customers can:

- Browse through and purchase from Grainger's entire product assortment.
- Use Real-Time Product Availability to find out when a product will ship or if it is available for pickup at a nearby Grainger branch.
- Manage purchase order workflow: accept, reject or forward orders made by staff members.
- Get prompt access to frequently purchased items through My Lists.

The iPhone version of the Grainger mobile app is available at the [Apple App Store](#) [1] and the Android version of the app is available on [Google Play](#) [2].
