

## Graphic Products On YouTube

Graphic Products, Inc.

**Graphic Products, Inc.** (Portland, OR) has bolstered its YouTube library with more than 40 new videos. Ranging in length from about 1 minute to more than 6 minutes, these educational and informative videos were created for industrial hygienists, facility managers, and plant supervisors worldwide to help save lives, streamline operations, and elevate visual communications in the workplace, says the company. The video library complements Graphic Product's online article library, which addresses 5S, Kanban, Kaizen, Personal Protection Equipment, and other in-demand safety and industrial efficiency related topics. All resources are free of charge and require no registration.
