Wenatchee Work Boot

KEEN

The Wenatchee boot from **KEEN** (Portland, OR) is a full-featured work boot that combines comfort and performance with superior construction built for hard work, according to the company. The boot is made with a waterproof nubuck leather upper and KEEN. Dry waterproof, breathable membrane, providing breathable protection from the elements. Along with the KEEN.Welt construction, the Wenatchee features a contoured heel lock for customized fit, oil- and slip-resistant non-marking rubber outsole, and asymmetrical steel toes for superior protection and functionality. The Wenatchee is available in black or brown leather and also a soft toe offering.
