

Aluminum Extrusions

MISUMI USA, Inc.

MISUMI USA, Inc. (Schaumburg, IL), a subsidiary of MISUMI Corporation, part of MISUMI Group, Inc. has announced the addition of its expansive line of aluminum extrusions and accessories to its West Coast Distribution Center. With the addition of the aluminum extrusions to the West Coast facility, over 80 percent of MISUMI's most popular aluminum extrusions will be available locally. Localized aluminum extrusions cut to lengths are specifiable in 0.5 millimeter increments and are shipped next day from MISUMI's Los Angeles warehouse, with no set-up or cutting charges. Key advantages of using MISUMI Aluminum Extrusions include:

- Coating options: clear, black anodized, yellow powder coat
- Localized aluminum extrusion profiles with machining alterations ship in 2 days
