

High Powered Outdoor LEDs

Larson Electronics LLC

Larson Electronics LLC (Kemp, TX) has announced the addition of one of the first high powered LED PAR38 outdoor rated bulbs. Featuring 20 watts and available in white, red, amber, blue, or multi-color, the IP67 rated PAR38 bulb LED20W-PAR38-WP operates on any voltage up to 277 volts AC. This 20 Watt LED PAR38 bulb is IP68 rated for outdoor use and is designed to operate on voltages ranging from 100 Volts up to 277 Volts AC as well as 12/24 volts DC. Larson Electronics manufactures a wide variety of industrial LED light bulbs including A19, PAR38, and LED T-series bulbs for retrofitting existing light fixtures at 12/24 volts DC and 120/277 Volts AC.
