

Mobile MRO Workstations

Lista International Corporation

Lista International Corporation (Holliston, MA) has introduced its durable Mobile MRO Workstations, which are mini workstations and high-density storage cabinets on wheels. Ideal for maintenance and repair applications, these storage solutions can be easily maneuvered to bring equipment directly to job sites, saving time and increasing productivity. Lista's Mobile MRO Workstations feature built-in shelf storage behind a lockable door, and drawer storage to accommodate a wide range of different shaped and sized items. Providing a convenient workstation at repair sites, they are offered with a selection of worksurfaces, including durable butcher block and galvanized steel. A variety of locking options are available to ensure security among different users, including keyless keypad locks.
