

XP LED Luminaires

RIG-A-LITE

RIG-A-LITE (Houston, TX) has announced the release of XP LED series luminaires. Available in 2 and 4-foot lengths, each with multiple lumen packages, XP LED is ideal for areas requiring illumination plus protection from explosive gases and compounds, extreme temperatures, corrosive elements, and other severe and hazardous location challenges. These versatile lighting fixtures are also approved for use in areas where saltwater spray and corrosive chemicals are present. Product features include:

- 60,000 hour system life
- 3500K, 4000K, or 5000K CCT
- 84 CRI
- Suitable for -20 to 55 degrees C ambient
- Corrosion-resistant, low copper (<0.4 percent) aluminum construction
- LEDs sealed in explosion-proof, and impact and heat resistant glass tubes
