

Induction Lighting Products

NEPTUN

NEPTUN (Lake Forest, IL) Induction Lighting products are maintenance-free for at least 15 years (with a 100,000 hour rated life), and its induction lighting offers unmatched advantages over other lighting systems, says the company. The company's 20-inch aluminum highbays feature:

- 20-inch high reflectance aluminum hood.
- Corrosion resistant die-cast aluminum gear box with white electrocoat finish.
- Inductively coupled circular induction bulb.
- High power factor, low THD electronic ballast with surge protection.
- Instant-on, flicker-free cold start and hot re-start.
- Bright white light (5000 degrees K) for greater visibility and safety.
- Advance phosphors for high lumen output and high lumen maintenance.
- 10 Year Warranty.
