BihlerFlex

The Versa Strap, 6-in-1 Adjustable Bungee from **BihlerFlex** (Phillipsburg, NJ) is formulated to last. It won't crack, split, or become brittle because it contains no rubber or latex and can withstand exposure to salt water, oil, and most common household chemicals. The new Versa Strap, 6-in-1 Adjustable Bungee is 36 inches long and contains six openings that allow the cord to expand and contract to meet the desired length of the end user. The product innovation also features molded nylon hooks that won't scratch paint or mark vehicles, says the company. The new product is available in multiple standard colors including red, black, blue, and green. Premium colors are also available upon request.
