

Metal Muncher Punch Press

Kalamazoo

Kalamazoo (Kalamazoo, MI) Metal Muncher Series GB gap bed hydraulic punch press is a dependable, and extremely versatile machine, says the company. It can be used as a dedicated punch press, but accepts a wide range of standard and optional accessories. The Series GB gap bed hydraulic punch press is available in 40-ton through 135-ton standard models. The 40-ton machine has a 7- x 9-inch throat and the 70-ton, 100-ton, and 135-ton machines come standard with a 9- x 14-inch or an 18- x 18-inch throat. Optional accessories include a heavy duty gauging table, press production table, adjustable work support roller, structural die block, standard 4-way break set, and a special brake die holder.

For information on the Kalamazoo Metal Muncher Series MM as well as other equipment, accessories, and specifications go to www.kalamazoometalmuncher.com [1].
