

Mean Green® Cleaner & Degreaser

CR Brands, Inc.

Mean Green® Industrial Strength Cleaner & Degreaser from **CR Brands, Inc.** (West Chester, OH) has a unique blend of biodegradable detergents, specially formulated for the most challenging machinery and equipment maintenance applications, says the company. With 40 percent more cleaning ingredients, grease and grime are quickly dissolved, while 30 percent more solvents and 20 percent more surfactants lift stubborn stains off surfaces—from metal parts and housings, to painted surfaces, from vehicle interiors fabrics. Mean Green® has doubled the amount of chelating agent, for all-around performance. This proprietary formula is tough on dirt but because of a slow evaporation rate emits no harmful fumes.
