

IMTSTV: Manufacturing With Darwin, Moore, & Metcalfe

IMTSTV

IMTSTV's Penny Brown got a chance to speak with Steve Fritzing, NetApp's Virtualization Alliance Manager, Java Author, and Economics Writer, about the current state of the manufacturing industry. Fritzing explains how competition and technology are driving the industry's pace, and why companies must adapt to this change if they want to survive. He also speaks about the future of manufacturing jobs in America.
